

## **Making A Commitment**

It is the investment of oneself that makes for rewarding ministry. While there are many short term ministry opportunities, we recommend that you make a long term commitment (a semester, a summer, a year) to one ministry. This will give you the opportunity to develop relationships, become experienced in your field, and perhaps witness changes or growth in those you are helping. Your agency also benefits because they can count on your dedicated service. In selecting an agency, be sure it meets the criteria outlined below. If there is ANY question, please see the Director of Christian Ministry.
