

NOLAN JUBILEE PRAYER

Good and Gracious God,
we pray in gratitude
for the gift of Nolan Catholic High School celebrating 50 years,
and the impact it has made on each of our lives.

We are grateful for your guidance
in its success throughout these years,
and for the many dedicated faculty and staff, past and present,
who have inspired and nurtured us.

We thank you for the gift of faith,
for the Marianist charism that forms us
for the many memories that delight us,
and for the friendships that indelibly mark us
as a Christian community.

We thank you for the love and guidance
of Bishop Kevin Vann,
who is the shepherd and first teacher
of the people of the Diocese of Fort Worth.

Almighty Father,
we acknowledge in this holy moment,
that from you we are created
and to you we return
and thus we remember and honor
all those from our Nolan community
who are now embraced by your arms in eternal love.

We ask you
to continue to bless their families and loved ones.

Heavenly Father,
we look for your presence
to guide us into our future.
May our lives, reflecting your goodness,
be of service to the Church and the common good.
We pray this in Jesus' name

Amen.
